RECOsystems CHANGER PUNCH 2

electric punching machine for exchangeable punching tools

The RECOsystems CHANGER PUNCH 2 is the perfect punching machine for copyshop or printhouse. What makes the machine so special is its flexibility. The solid punching tools can be exchanged in less than one minute. There are punching tools available for plastic binding, wire binding 3:1 and 2:1 as well as for spiral binding. The machine is optimal for medium and larger quantities.

available punching tools for CHANGER PUNCH 2

- wire comb 3:1; square hole 4x4 mm and round hole 4 mm
- wire comb 3:1 with calendar cut; square 4x4 mm and 4 mm
- wire comb 2:1; square hole 6x6 mm and round hole 6,5 mm
- plastic combs
- spirals
